# EVERY ELEMENT MATTERS

## HEAD

modern heart of the machine with an energy-efficient and quiet motor – guarantees reliability and high performance

## TABLETOP

made of multi-layer plywood, covered with a smooth laminate resistant to impact and abrasion. Equipped with a ruler in inches and centimeters, and a storage compartment for bobbins and needles

## STAND

height adjustable – solid base – stable backrest, high load capacity and durability. Standard with rubber feet

## WHEELS

(optional) durable, swivel casters with brakes
